Subject: 09/02396/COMIND AWE Aldermaston

Dear Clive

At its meeting on 8 December Aldermaston PC recorded No Objections to this application, subject to two conditions:

1. That this development will not lead to an increase in the quantity of enriched uranium handled or stored on the site.
2. That the existing buildings used for the storage and handling are identified and a time limit for their demolition be specified.

Regards

 Bill Scott
Clerk, Aldermaston Parish Council
