**INFORMATIVE:**

1. The applicant's attention is drawn to the fact that above conditions must be complied with in full before any work commences on site, failure to do so may result in enforcement action being instigated.
2. The above Permission may contain pre-conditions, which require specific matters to be approved by the Local Planning Authority before a specified stage in the development occurs. For example, "*Prior to commencement of development written details of the means of enclosure will be submitted to and approved in writing by the Local Planning Authority*". This means that a lawful commencement of the approved development cannot be made until the particular requirements of the pre-condition(s) have been met.
