Dear Gary Lugg

Development in Safeguarding Zone of AWE Burghfield

Planning Application Refs: 08/02287/COMIND

Description: Re: Construction of main process facility (MPF) and support building with 16 lighting protector towers, associated plant building, gate houses, vehicles inspection bays, sub-station buildings, security fence, access roads, hard standing and sustainable drainage system (SuDS) infrastructure.

There is no objection on nuclear safety grounds to this development; this decision is made without prejudice to the interests of other Directorates and Divisions of the Health and Safety Executive.

It will be appreciated if you would indicate, in due course, whether or not you have approved this application. Please address your reply to myself at the above address.

Yours faithfully
