Dear Sir/Madam

### Development in Safeguarding Zone of AWE Aldermaston

**Planning Application Ref: 09/02396/COMIND**

**Description: Replacement facility for the storage and handling of enriched uranium covering 18,489 sq m gross floor space on a 10,496 sq m footprint, including office accommodation, storage facilities, material handling areas and ancillary support services. Construction related infrastructure is also proposed including access roads, construction compound, fencing, gates and ancillary facilities.**

There is no objection on nuclear safety grounds to this development; this decision was made without prejudice to the interests of other Divisions or Directorates of the Health and Safety Executive.

It will be appreciated if you would indicate, in due course, whether or not you have approved this application. Please address your reply to myself at the above address.

Yours faithfully

David Catty
