Dear Mr [REDACTED]

**Request for information: Freedom of Information Act 2000 - Reference number  
201412001**

**Atomic Weapons Establishment Aldermaston: Project Pegasus**

I refer to your letter of 15<sup>th</sup> December 2014 requesting release by ONR of information held relating to the "Review, Learn, Improve" (RLI) event held by AWE following submission of the Pegasus Pre-Construction Safety Report 2 (PCSR2) to ONR for assessment. To address your three bulleted points: -

- I have checked the records that we hold and can inform you that we do not hold a copy of this report.
- I have identified one document exchanged between ONR and AWE regarding the AWE Pegasus RLI. An appropriately redacted copy is included for your information.
- AWE has placed the Pegasus project on-hold and is currently re-assessing requirements for project delivery. Whilst ONR clearly have an interest in the outcome from this review we have not yet received an update from AWE regarding their revised scope and delivery schedule. As such to-date we have not been able to generate any corresponding regulatory schedule.

If you are unhappy with the decisions made by ONR you may ask for an internal review within two calendar months of the date of this letter by writing to me.

If you are not content with the outcome of the internal review you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at:
