checkpoint in Chekhov - 2 (30 meters left), there is a checkpoint of the military unit 54290 (construction
battalion), I served there from 1990 to 1992 . When Rodak arrived on oath, my father put on a
background with fotkal Glavnov checkpoint in the town, immediately rushed the two officers and
wanted to take plenku. Poka they ran to us (Dad is made on the form that takes the film from photo
cameras, and gave them a new one film out of his pocket) . Secrecy of the course was. The most
important part of the gate to 54290 from simple fixtures (figural designs) for clearance. I remember
sitting on a bench near the infirmary, and the girls go outside the gate only sadness overtake. Who has
asked all parts of the gate high and the deaf, and here at home there. Part of a small quiet. I was in the
fourth company of Captain Rodionova. In 1991, after May holidays, under cover of night I had attached
to the stadium floodlight National flag of Ukraine (Zsolt blue) with the inscription "Glory ВІЛЬНИЙ
УКРАЇНИ - Heroes of Fame" at the time (1991), this flag Nebylov recognized even in Ukraine.
Propogandist part Kurenkov immediately rynul in the search (Bandera) toist me. Spetsura town was then
on the ears. Promoter I of course figured out (Intelligence Service Soviet Union worked on height) But
there would be no state of emergency in parts of me have merged on a business trip in subsection
