Description

CONTACT FOR THIS REQUEST IS JOEL POTEAT. SEE LAST SENTENCE OF THIS REQUEST FOR SPECIFIC INFORMATION ON HOW TO CONTACT MR. POTEAT. PURPOSE. BWXT Y-12, L.L.C. (BWXT Y-12), acting under its Prime Contract No. DE-ACC05-00OR22800 with the United States Department of Energy (USDOE) at the Y-12 National Security Complex, is soliciting expressions of interest for the construction of a new building/facility known as, "Purification Facility", within the Y-12 facility located in Oak Ridge, Tennessee. The value of the project is estimated to be approximately \$8 million dollars. It is the intent of BWXT Y-12 to secure a construction firm (or Team) capable of self-performing most of the required construction activities for this project and capable of subcontracting for additional specialized expertise as needed. This expression of interest, does not constitute an invitation for sealed bids, a request for proposal, or offers. This request is for the purpose of identifying prospective and qualified firms. Responses received will be used for planning purposes and determining candidates for subsequent procurement actions, if any. If you do not respond affirmatively to all qualifying criteria contained in the expression of interest, you will not be eligible for subsequent procurement actions. The estimated date for solicitation is January 2003. DESCRIPTION OF PROJECT & SCOPE OF WORK. The planned building size is approximately 10,000 square feet and is to be located on an approximate 2-acre site within the Y-12 facility. The physical work location of the proposed building can be accessed and worked by non-cleared personnel utilizing proper identification and passes for required subcontractor vehicles. However, the specification requires the subcontractor to be capable of obtaining a favorable Foreign Ownership, Control, or Influence determination, issued by the Government, in order to be eligible for a subcontract award. Construction work performed on the DOE reservation in Oak Ridge requires the successful firm to become signatory to the Construction Labor Agreement with the Knoxville Building and Construction Trades Council. For information regarding FOCl and all that is required, please visit the web site at, http://www.y12.doe.gov/procurement-ext/library/articles_forms/focid.pdf. (Note: There is an underscore between the word "articles" and the word "forms" in this web site address) All employees are to be citizens of the United States. Work Scope currently consists of: Site Preparation - excavation, backfill, grading, underground and above ground utilities, access roads, erosion control, sowing of grass, and paving. Civil - Office and process areas consisting of building foundations, reinforcing, concrete slabs, reinforced concrete walls, structural steel walls and roof, built up

each along with any supporting documentation for consideration. RESPONSE TO EXPRESSION OF INTEREST. If your firm meets the qualifying criteria stated above and plans to respond to the request for Qualifications, please respond by November 25, 2002. Your response is to be provided electronically to the contact listed below. If you do not respond affirmatively to all the qualifying criteria you will not be considered for subsequent procurement actions.
