Senate Armed Service Committee

(R' rep)

Sen Sessions -

RNEP Study only; No RNEP Lpm could be built without specific authority from Congress; completely RNEP study would help fulfill requirement; Sen Bill Nelson - If RNEP is for use of some forces should be on COM; RRW (Releive Replant Warrant) - Congress need to know what it will produce + cost - will it reduce numbers (+cost), + supported for a service review, or an excuse to der a new number upon + return to cutting. - need to know

Gen Cambria (STRATCOM) -

Global enablers to be provided to commanders; - eg Consolidated Transport Command; Spec Ops Command; Evaluate ability; ~~...~~ Provide to regional commands, global capabilities.
