- dad used to demolish

- cover about 1000 / his job

long term ascent of HMO / NW Risk

→ No risk → No used for TRI

→ Risk → used for TRI

- Both require long term prep

Summary 5/3/08

KH - opinion - NW were nec
during Cold War but not today;

today's threats are diff:

Kofi Annan - "If some countries say
they need nukes for their ~~defence~~ ~~defence~~ -
others will think the same"

Not just NGOs / campaigns for disarmament
- but also states;

T Blair - "not enough for UK to be
a peace alignment - should also be
a normalisation";

Res Brown - news items on
decommissioning.

300M

① TRU report done

② Res In - Pal could lose view.

Lab party CLP meet on TRU
RERC - all agreed -
- Defeat of TRU → 'Lab dev's
to be unrelatable as in 1980's'.
E.g. Clark Clark - anti-nuclear
but ~~didn't~~ couldn't think for
say the method being Oarell,
anti-nuclear brush.
