**Description**

This amendment (Modification 0001) to the Synopsis that was released on 12 February 2002 revises the proposed period of performance for the contract resulting from RFP N00178-02-R-1022. The proposed requirement is for the acquisition of technical and engineering support primarily for the Submarine Launched Ballistic Missile (SLBM) Program for a seven-year period on a cost-plus-fixed-fee Indefinite Delivery/Indefinite Quantity (ID/IQ) basis beginning 01 October 2002. The Naval Surface Warfare Center, Dahlgren Division, Dahlgren Laboratory Procurement Division has implemented Electronic Commerce (EC) in the acquisition area; therefore, this synopsis will be available on the World Wide Web at <http://www.nswc.navy.mil/supply>. DoD will no longer award contracts to contractors not registered in the Central Contractors Registration (CCR) database. Registration may be accomplished by accessing the CCR Web site at <http://www.ccr2000.com>. A paper registration
