Moyna Gardner,

I enclose some information in
response to your letter of the 8/5/89
I'm sorry I cannot at present, due to
pressure of work, write in more detail.

The more obvious militarisation such as
that the enclosures refer to is complemented
by an equally complex intelligence
effort, by both sides, which complicates
the issue. Perhaps at some time in
the future I could come up and speak
to you on it - for now suffice to
say the concealed militarisation is

every bit as complex and dangerous as the
obvious

Yours Fraternaly

J. B. McMatt.
