212.

SOUTHAMPTON Z BERTH

The Committee considered the report of the Head of Legal Services, concerning the risk to the people of Southampton of the Royal Navy using the Port of Southampton for nuclear powered submarine visits. (Copy of report circulated with agenda and appended to signed minutes.)

RESOLVED that a letter be sent to the Royal Navy seeking an assurance that, until such time as the new off-site emergency plan has been adopted, no nuclear powered submarines will visit Southampton's Z berth.
