Did you know that there are nuclear war games going on near here ?

On Sunday 19 Oct, the UK Warning and Monitoring Organisation are running their WARMON II Exercise at ROC bunkers all over the country.

Does that make you feel safe ?

# THE RIGHT TO KNOW

As tax-payers, you are entitled to know more about these nuclear war exercises being carried out in your own area. Why not go along to your local ROC bunker on Sunday 19 Oct. and ask the ROC volunteers what's going on ? You could even tell them what you think yourself.

- \* How much warning are we going to get ?
- \* What are they planning to monitor ?
- \* Have they made arrangements for their families and pets ?
- \* How long do they expect to stay down there ?
- \* Why do the military want information about bomb bursts ?
