Dear Group Secretary,

Included in this mailing you will find a list of organisations at present affiliated to Scottish CND. Please have a look through these affiliates and check if your local trade unions, political party branches and trades councils are included. If not perhaps you'd like to ask them to affiliate to Scottish CND. A list of rates is available from this office, as well as a formal letter (if you feel this would be the best way of making an approach).

Support from such local organisations is very important for Scottish CND, both politically and financially, and we hope you will spend some of your (valuable) time on this. It's well worth the effort.

With thanks for your help.
