Dear Friends,

Please find enclosed, as promised, the items for the 'civil defence' mailing to CND groups and non-Tory groups on local authorities:

1. 300 copies of the new Civil Defence Campaign Guide.
2. 300 copies of the 'In the dead of nuclear winter' leaflet.
3. 300 copies of the 'How to survive a nuclear war' leaflet for the September Civil Defence Week.
4. 300 copies of the Spark Exhibition leaflet.
5. 300 copies of an order form for further copies of the leaflets or Guide.

Also enclosed are sticky address labels for CND groups in Scotland; labels for Liberal Party contacts and the addresses of SNP contacts supplied to us from their HQ. The Labour Party HQ in London is considering doing a mailing to all secretaries of Labour Groups on local authorities in Britain.

I have also enclosed, for your reference, copies of the covering letters that have been sent with the mailings to CND groups and councils in England.

The Guides and leaflets are courtesy of the Nuclear Free Zone budget, but we enclose an invoice for the cost of postage.

Best wishes,

Fred Barker
