ACTIONACTIONACTIONA HOUSE TO HOUSE LEAFLET DROP;

Ideally we would like our Civil Defence Leaflets to be put through every door in Scotland.

Political parties manage this at election times, often with fewer active members than CND groups.

This is a really good way of following up the Barrow demo, and reactivating sleeping members who may be prepared to push letters through doors but not speak to people.

It takes a bit of organisation dividing up your district into manageable areas and a good bit of enthusiasm to motivate people to do something like this on a big scale.

There will be benefits to your group too. For every adult household CND member recruited to SCND on the Civil Defence Leaflet, we will give your group HALF the membership fee. This is a really good deal for groups and should bring more people into active participation as we will pass on to you the names of all the people recruited in your area.

THIS IS AN ISSUE ON WHICH WE CAN ONLY WIN
