

DOONS of atomic
 osions, aeroplanes
 and warships have been
 used to help President
 Reagan grasp the options
 for US military spending.
 These visual aids were
 taken to the White House
 by Caspar Weinberger,
 the Defence Secretary.

DEATH TENDS TO BE PERMANENT

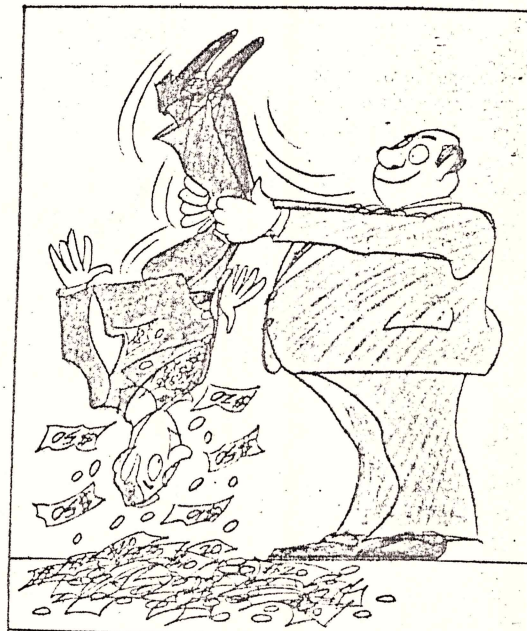

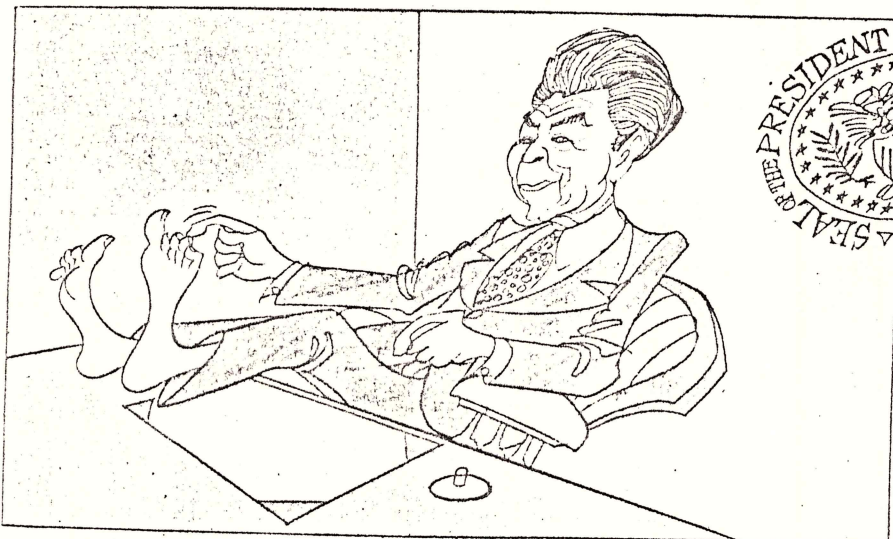

**MAHOOD
 THE PRESIDENT'S GUIDE TO
 THE NUCLEAR PROBLEM**

SO DON'T COUNT ON BEING AN EXCEPTIO
 TO THE RULE.

WHICH ONE OF THESE MEN IS THE ARMS
 MANUFACTURER?

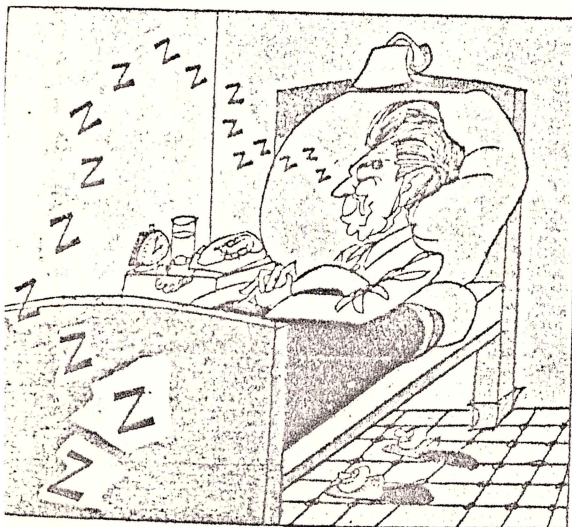

NEVER BE HASTY ABOUT PRESSING THE BUTTON—

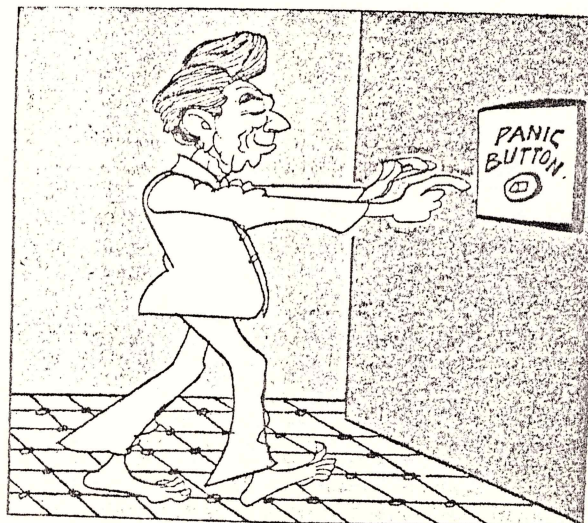

COUNT TO TWENTY-ONE FIRST.

WRONG! IT'S THE ONE WHO IS LOADED.

WITH A NUCLEAR CAPABILITY, LEADERSHIP IS ALL IMPORTANT.

GOOD

BAD

BE THE BOMB BEGINS TO
COLIFERATE,

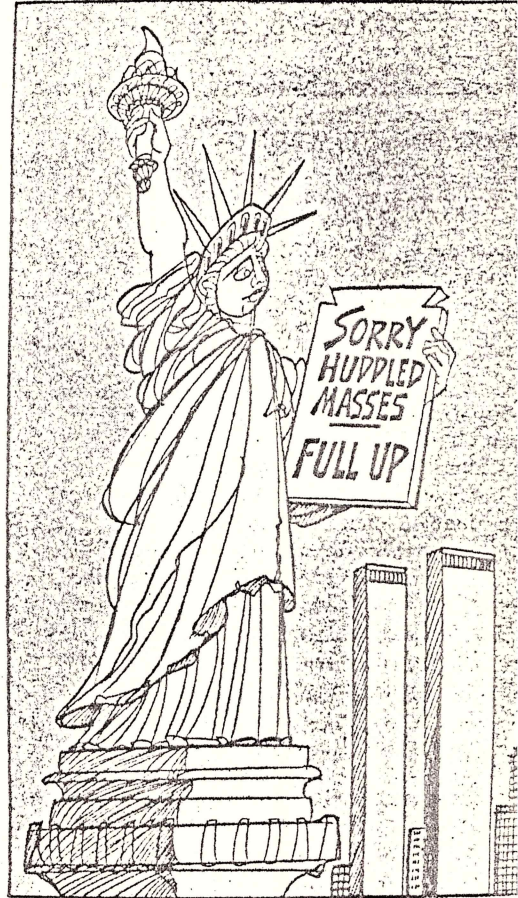

- WHERE WILL IT END? -

CARELESS TALK ABOUT EUROPE

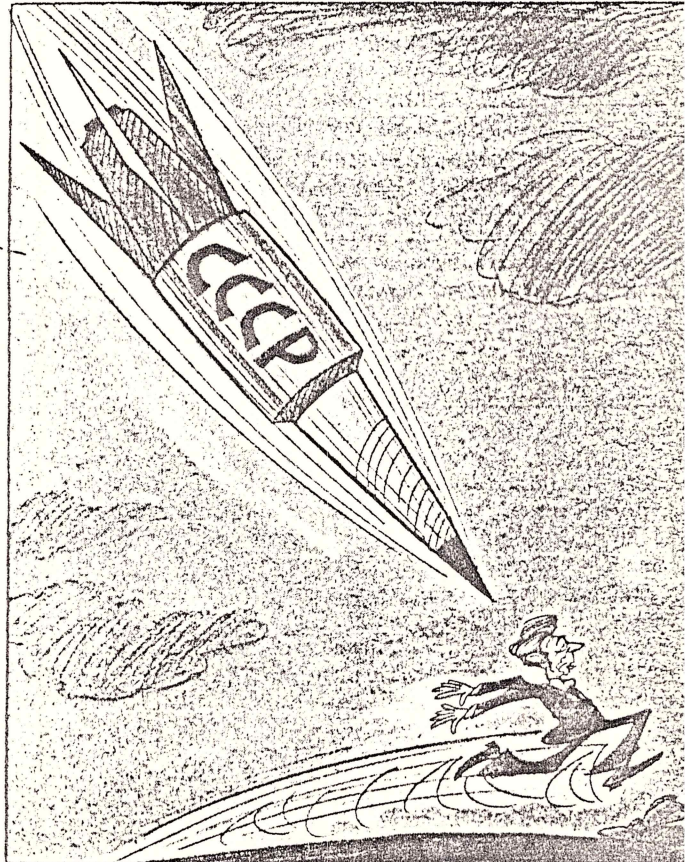

TENDS TO MAKE PEOPLE SUSPICIOUS.

MASS EVACUATION CAN BE VERY
INCONVENIENT,

ESPECIALLY FROM EUROPE.

THE TROUBLE WITH EARLY WARNING
SYSTEMS IS

THEY'RE NEVER THERE WHEN YOU REALLY
NEED THEM.
